

# AVION FLOORPLANS

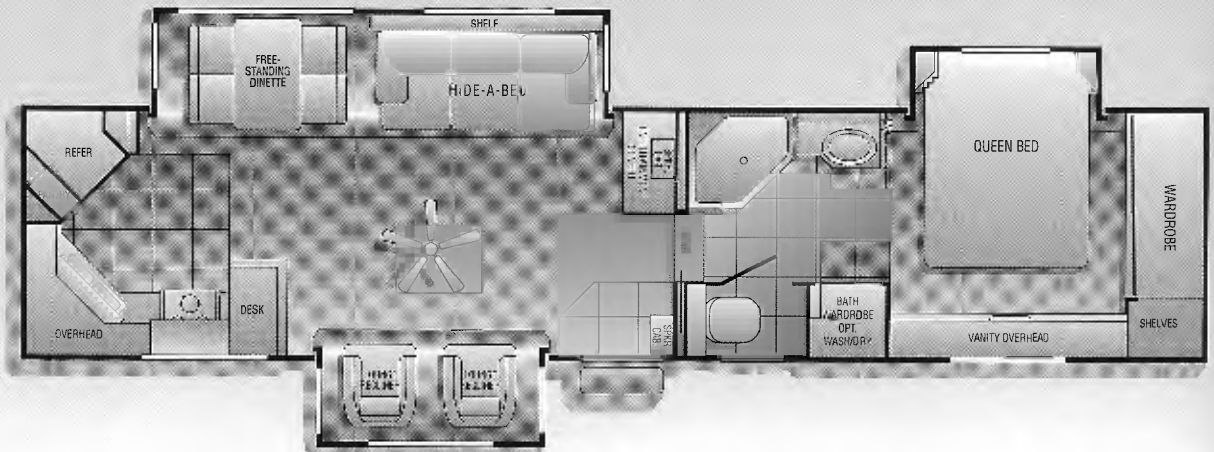

## Model 37 5W

The focal point of this impressive floorplan has to be the beautiful entertainment center with beveled glass hutches in the rear living room. This model also features three slide-outs, dual lounge recliners, spacious center galley, and bedroom vanity.

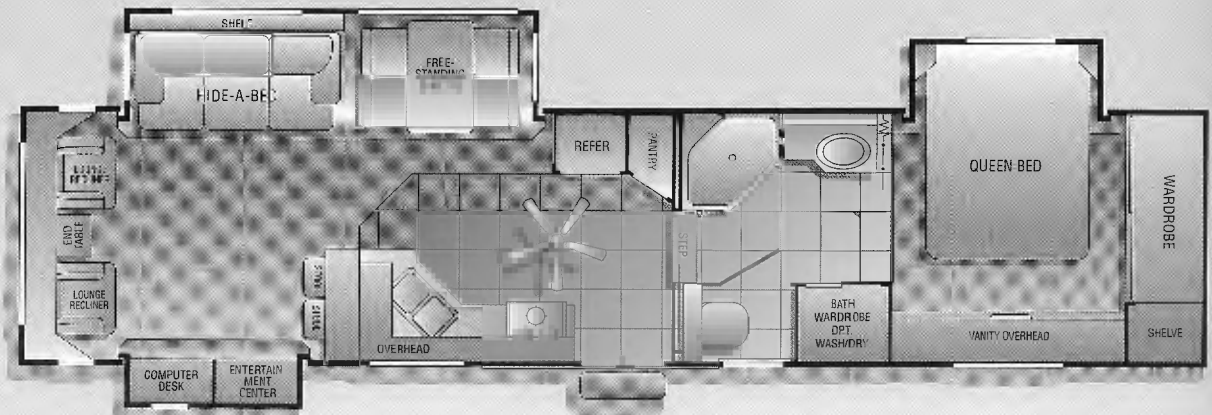

## Model 37 5R

The large rear galley gets center attention on this beautiful triple-slide floorplan. Special features include a big side-by-side refrigerator, bedroom vanity, and twin swivel recliners.

## Model 37 5V

For those who prefer their galley a little closer to the entryway, this rear living room floorplan has it all. It features three slide-outs, two swivel recliners with an end table, a computer desk with overhead storage, a separate counter area with two bar stools, and bedroom vanity.
